ANIRUDH VADERA (DIGITAL ASSIGNMENT) HACKERANK QUESTIONS

FINALLY:

The screenshot shows the HackerRank dashboard for user 'anirudh.vader...'. The dashboard is titled 'Prepare' and displays progress for four topics:

- Java**: 34% (22/64 challenges solved). Progress bar is at 34%. A green 'Continue Preparation' button is visible.
- Problem Solving**: 64% (99 points to next star). Progress bar is at 64%. A green 'Continue Preparation' button is visible.
- Python**: 14% (95 points to next star). Progress bar is at 14%.
- C**: 96% (24/25 challenges solved). Progress bar is at 96%.

Each topic card has a corresponding icon: Java (yellow hexagon with a coffee cup), Problem Solving (blue hexagon with a puzzle piece), Python (blue hexagon with a snake), and C (yellow hexagon with a 'C'). The dashboard also includes a 'Bookmarked Challenges' link and a 'Search' bar.
